

Advanced Workshop Agenda

Advanced Workshop Timetable (times are approximate)

TIME	SUBJECT
09:00-09:15	Introduction and Aims and Objectives
09:15 - 10:00	Corrosion Fundamentals, Forms of Corrosion and Engineering Materials.
10:00 - 10:45	Coatings formulation and coating types and testing. Coatings for Corrosion Control
10:45 - 11:00	Break
11:00 - 11:30	Specialist Tests and Inspection equipment (field and Laboratory)
11:30 - 12:30	Inspection Test Plans and Procedures
12:30 - 13:00	Lunch
13:00 - 16:30	Practical Interactive Demonstrations
